About Us

- ✦ Star Management Consultants is a Management Consultancy Company that has been established since 2006.
- ✦ We are a leading provider of consultancy and training throughout the South India and have also provided consultancy services throughout India.
- ✦ Our Head Office is based in Chennai which also has training facilities. Additionally, we have offices in Madurai and Srivilliputhur.
- ✦ We have worked with over 2000 companies to date and have implemented over 30 Management Systems.
- ✦ We specialise in automotive management systems, integrated management systems and business improvement.
- ✦ We are the one of the few teams of consultants that offers an entire portfolio of management development and training services built around the internationally acclaimed series of Standards.

The Vision of **Star Management Consultants** is to:

Provide **"QUALITY"** Consultancy services on management systems in line with the latest International Standards.

Improve the **"ORGANIZATIONAL CAPABILITY"** by changing the attitude of the personnel to lead a "disciplined" system implementation.

Endeavor to meet the **"ORGANIZATION'S VISION"** and work towards their goals and objectives.

"The hallmarks of systems that scale the highest peaks of quality service are simplicity and relevance"

- ✦ Implementation focused and result oriented approach rather than certification focused.
- ✦ Experience of having provided consultancy for more than 2000 companies
- ✦ Experience having done certification audits for more than 200 companies
- ✦ Qualified and Experienced Team, of full-time consultants with complete dedication at flexible.

“We believe that the quality of consultancy is more important than consultancy on quality”

- ✦ **Auto parts manufacturers**
- ✦ **Aerospace Industries**
